

§ 165.1301

33 CFR Ch. I (7–1–14 Edition)

unless authorized by the Sector Columbia River Captain of the Port, the official patrol, or other designated representatives of the Captain of the Port.

(2) To request authorization to enter or operate within the safety zone contact the on-scene official patrol on VHF-FM channel 16 or 13, or the Sector Columbia River Command Center at phone number (503) 861-6211. Authorization will be granted based on the necessity of access and consistent with safe navigation.

(3) Vessels authorized to enter or operate within the safety zone shall operate at the minimum speed necessary to maintain a safe course and shall proceed as directed by the on-scene official patrol. The Navigation Rules shall apply at all times within the safety zone.

(4) When conditions permit, the on-scene official patrol, or a designated representative of the Captain of the Port at the Sector Columbia River Command Center, should:

(i) Permit vessels constrained by their navigational draft or restricted in their ability to maneuver to enter or operate within the safety zone in order to ensure a safe passage in accordance with the Navigation Rules; and

(ii) Permit commercial vessels anchored in a designated anchorage area to remain at anchor within the safety zone; and

(iii) Permit vessels that must transit via a navigable channel or waterway to enter or operate within the safety zone in order to do so.

(f) *Exemption.* Public vessels as defined in paragraph (a) of this section are exempt from complying with paragraph (e) of this section.

(g) *Enforcement.* Any Coast Guard commissioned, warrant, or petty officer may enforce the rules in this section. In the navigable waters of the United States to which this section applies, when immediate action is required and representatives of the Coast Guard are not present or are not present in sufficient force to provide effective enforcement of this section, any Federal Law Enforcement Officer, Oregon Law Enforcement Officer, or Washington Law Enforcement Officer may enforce the rules contained in this section pursuant to 46 U.S.C. 70118. In

addition, the Captain of the Port may be assisted by other federal, state, or local agencies in enforcing this section.

(h) *Waiver.* The Captain of the Port Columbia River may waive any of the requirements of this section for any vessel or class of vessels upon finding that operational conditions or other circumstances are such that application of this section is unnecessary or impractical for the purpose of port safety or environmental safety.

EFFECTIVE DATE NOTE: By USCG-2013-0011, 78 FR 70861, Nov. 27, 2013, temporary §165.T13-240 was added, effective from Nov. 27, 2013 until Nov. 27, 2015.

§165.1301 Puget Sound and Adjacent Waters in Northwestern Washington—Regulated Navigation Area.

The following is a regulated navigation area—All of the following northwestern Washington waters under the jurisdiction of the Captain of the Port, Puget Sound: Puget Sound, Hood Canal, Possession Sound, Elliott Bay, Commencement Bay, the San Juan Archipelago, Rosario Strait, Guemes Channel, Bellingham Bay, U.S. waters of the Strait of the Strait of Juan de Fuca, Haro Strait, Boundary Pass, and Georgia Strait, and all lesser bays and harbors adjacent to the above.

(a) Definitions as used in this section:

(1) *Vessels engaged in fishing* are as identified in the definition found in Rule 3 of the International Regulations for Prevention of Collisions at Sea, 1972, (72 COLREGS), found in appendix A, part 81 of this chapter.

(2) *Hazardous levels of vessel traffic congestion* are as defined at the time by Puget Sound Vessel Traffic Service.

(b) Nothing in this section shall be construed as relieving any party from their responsibility to comply with applicable rules set forth in the 72 COLREGS.

(c) General Regulations: The provisions of this paragraph apply at all times.

(1) Vessels engaged in fishing or other operations—that are distinct from vessels following a TSS or a connecting precautionary area east of New Dungeness and which are not required by the Bridge to Bridge Radiotelephone Regulations to maintain a listening

watch, are highly encouraged to maintain a listening watch on the Puget Sound Vessel Traffic Service (PSVTS) VHF-FM radio frequency for the area in which the vessel is operating. A safe alternative to the radio listening watch is to stay clear of the TSS and connecting precautionary area.

(2) Vessels engaged in gill net fishing at any time between sunset and sunrise in any of the waters defining the regulated navigation are of this section shall, in addition to the navigation lights and shapes required by Part 81 of this title (72 COLREGS), display at the end of the net most distant from the vessel on all-round (32-point) white light visible for a minimum of two nautical miles and displayed from at least three feet above the surface of the water.

(3) Vessels engaged in fishing, including gillnet and purse seine fishing, are prohibited in the following Prohibited Fishing Area: The Hood Canal Bridge, to include the waters within a one-half nautical mile radius of the center of the main ship channel draw span during the immediate approach and transit of the draw by public vessels of the United States.

(4) East of New Dungeness, vessels engaged in fishing in a traffic lane or connecting precautionary area shall tend nets or other gear placed in the water so as to facilitate the movement of the vessel or gear from the traffic lane or precautionary area upon the approach of a vessel following the TSS.

(d) Congested Regulations: The provisions under this paragraph apply only when imposed in specific locations by Puget Sound Vessel Traffic Service. They are intended to enhance vessel traffic safety during periods and in locations where hazardous levels of vessel traffic congestion are deemed to exist by Puget Sound Vessel Traffic Service. Operations potentially creating vessel traffic congestion include, but are not limited to, vessels engaged in fishing, including gillnet or purse seine, recreational fishing derbies, regattas, or permitted marine events.

(1) Vessels engaged in fishing or other operations—that are distinct from vessels following a Traffic Separation Scheme (TSS) or a connecting precautionary area east of New Dungeness,

may not remain in, nor their gear remain in, a traffic lane or a connecting precautionary area east of New Dungeness when a vessel following a TSS approaches. Such vessels not following a TSS or a connecting precautionary area shall draw in their gear, maneuver, or otherwise clear these areas so that their action is complete at least fifteen minutes before the arrival of a vessel following the TSS. Vessels which are required by this paragraph to remain clear of a connecting precautionary area east of New Dungeness or a traffic lane must also remain clear of the adjacent separation zone when in a TSS east of New Dungeness.

(2) A vessel following the TSS may not exceed a speed of 11 knots through the water.

(3) Vessels engaged in fishing, including gillnet and purse seine fishing, are prohibited in the following Prohibited Fishing Area: Edmonds/Kingston ferry crossing lanes, to include the waters within one-quarter nautical mile on either side of a straight line connecting the Edmonds and Kingston ferry landings during the hours that the ferry is operating.

(e) Authorization to deviate from this section.

(1) Commander, Thirteenth Coast Guard District may, upon written request, issue an authorization to deviate from this section if the proposed deviation provides a level of safety equivalent to or beyond that provided by the required procedure. An application for authorization must state the need for the deviation and describe the proposed alternative operation.

(2) PSVTS may, upon verbal request, authorize a deviation from this section for a voyage, or part of a voyage, if the proposed deviation provides a level of safety equivalent to or beyond that provided by the required procedure. The deviation request must be made well in advance to allow the requesting vessel and the Vessel Traffic Center (VTC) sufficient time to assess the safety of the proposed deviation. Discussions between the requesting vessel and the VTC should include, but are not limited to, information on vessel

§ 165.1302

handling characteristics, traffic density, radar contracts, and environmental conditions.

(3) In an emergency, the master, pilot, or person directing the movement of the vessel following the TSS may deviate from this section to the extent necessary to avoid endangering persons, property, or the environment, and shall report the deviation to the VTC as soon as possible.

§ 165.1302 Bangor Naval Submarine Base, Bangor, WA.

(a) *Location.* The following is a security zone: The waters of the Hood Canal encompassed by a line commencing on the east shore of Hood Canal at latitude 47°43'17" N., longitude 122°44'44" W., thence to latitude 47°43'32" N., longitude 122°44'40" W.; thence to latitude 47°43'50" N., longitude 122°44'40" W.; thence to latitude 47°44'24" N., longitude 122°44'22" W.; thence to latitude 47°45'47" N., longitude 122°43'22" W.; thence to latitude 47°46'23" N., longitude 122°42'42" W.; thence to latitude 47°46'23" N., longitude 122°42'20" W.; thence to latitude 47°46'20" N., longitude 122°42'12" W.; thence southerly along the shoreline to the point of beginning.

(b) *Security zone anchorage.* The following is a security zone anchorage: Area No. 2. Waters of Hood Canal within a circle of 1,000 yards diameter centered on a point located at latitude 47°46'26" N., longitude 122°42'49" W.

(c) *Special Regulations.* (1) Section 165.33 paragraphs, (a), (e), and (f) do not apply to the following vessels or individuals on board those vessels:

(i) Public vessels of the United States, other than United States Naval vessels.

(ii) Vessels that are performing work at Naval Submarine Base Bangor pursuant to a contract with the United States Navy which requires their presence in the security zone.

(iii) Any other vessels or class of vessels mutually agreed upon in advance by the Captain of the Port and Commanding Officer, Naval Submarine Base Bangor. Vessels operating in the security zone under this exemption must have previously obtained a copy of a certificate of exemption permit-

33 CFR Ch. I (7-1-14 Edition)

ting their operation in the security zone from the Security Office, Naval Submarine Base Bangor. This written exemption shall state the date(s) on which it is effective and may contain any further restrictions on vessel operations within the security zone as have been previously agreed upon by the Captain of the Port and Commanding Officer, Naval Submarine Base Bangor. The certificate of exemption shall be maintained on board the exempted vessel so long as such vessel is operating in the security zone.

(2) Any vessel authorized to enter or remain in the security zone may anchor in the security zone anchorage.

(3) Other vessels desiring access to this zone shall secure permission from the Captain of the Port through the Security Office of the Naval Submarine Base Bangor. The request shall be forwarded in a timely manner to the Captain of the Port by the appropriate Navy official.

(d) *Enforcement.* The U.S. Coast Guard may be assisted in the patrol and monitoring of this security zone by the U.S. Navy.

[CDG13 87-06, 52 FR 47924, Dec. 17, 1987]

§ 165.1303 Puget Sound and adjacent waters, WA—regulated navigation area.

(a) The following is a regulated navigation area: the waters of the United States east of a line extending from Discovery Island Light to New Dungeness Light and all points in the Puget Sound area north and south of these lights.

(b) *Regulations.* (1) Tank vessel navigation restrictions: Tank vessels larger than 125,000 deadweight tons bound for a port or place in the United States may not operate in the regulated navigation area.

(2) Commander, Thirteenth Coast Guard District may, upon written request, issue an authorization to deviate from paragraph (b)(1) of this section if it is determined that such deviation provides an adequate level of safety. Any application for authorization must state the need and fully describe the proposed procedure.

(c) *Precautionary Area Regulations.* (1) A vessel in a precautionary area which
